Description:	

BOX PICTURE

Opt for safe cycling with our compact Entac plastic bicycle lights that are practical lamps that are easy to mount on your bike. You can choose between white and red colors, or if needed, you can also buy a set including both colors. Due to their IP44 water and dust-proof properties, they are truly long-lasting. Entac Plastic bike lights are available with a 1W output and 50 lumen brightness. They operate with 2 CR2032 batteries, included in the package.

The Entac Flashlight category includes numerous other products. Learn more about these on the following link.
