Max 800

MAX 800 FLASHLIGHT USB RECHARG.

Torch

Description of product family

Airam's Max 800 USB flashlight provides the right lighting for various needs: keep a powerful flashlight in your car for emergencies, store it at home or in the storage area within easy reach. The body features practical stoppers that prevent the lamp from rolling on flat surfaces. The flashlight is USB rechargeable, and a USB charging cable is included in the package. High-quality black aluminum casing with a blue accent color. Easily adjustable beam and zoom function. Wrist strap for carrying or hanging.
